Staff of the Month: Dora Dorado

Dora Dorado is our amazing Staff of the Month!

This month, we would like to recognize Dora for being an outstanding member of the DVS team. She is our Rapid Rehousing Relocation Support Advocate, but at various times has also taken on the roles of client advocate, donation coordinator, office manager... and the list goes on!

Our staff have some words to share about her hard work and dedication:

"Dora is the sweetest and most hard-working person. She will give and give without expecting anything in return. She has been such a great asset to Second Stage, Santa Barbara Shelter and Admin, and many clients have recognized her great and honest work."

"I don't know what we would do without Dora! She is always willing to help out with any task, no matter what it is or if it is outside her job description. She goes above and beyond and we are so thankful for everything she does. I absolutely love working with her."

Thank you for making DVS a better place, Dora!!!
