Dear Friends,

We know the majority of victims of intimate partner violence are women - many are mothers with children whose abusers are the fathers of those children. The long-term effects of domestic violence on children is well documented and often results in a lifetime of hardship, poor physical and mental health and the continuation of the cycle of violence.

On this Father's Day, we ask you to take a pause from the negative and heartbreaking, and remember the good in a father or father figure (maybe a grandfather, a brother or a teacher). Dads can be goofy, loving and supportive and act as a source of wisdom and humor. Sometimes they wear funny clothes only they think are cool, sometimes they teach us how to play soccer or read to us or are just solidly "there" when we need them.

At Domestic Violence Solutions, we want to take this opportunity to honor all the "good" dads. So on this Father's Day, instead of buying dad another shirt or tie or coffee mug - we ask you [make a donation](#) in his honor (or in honor of any awesome dad) to DVS so we can continue to provide safety, shelter and support to our clients and their families.

On Sunday, June 17, my donation will be in honor of my dad, Robert - the son of immigrants who taught me that work is dignity, and in honor of my husband, Randy - who makes me and my girls laugh every day!

With love and respect for all dads,

Jan Campbell

Executive Director

P.S. Domestic Violence Solutions serves all victims of intimate partner violence regardless of gender.

We Love Our Advocates!

This month, we would like to express our heartfelt gratitude and appreciation for our client advocates! These absolutely amazing ladies work tirelessly to provide safety, shelter and support to victims of domestic violence and their families.

They juggle many important responsibilities: crisis line coverage and intervention, response to 911 domestic

violence calls with law enforcement, immediate and ongoing services to victims and children, residency intake interviews, assessments and goal plans, advocacy, and referrals. Basically, they are superheroes!

Our advocates are all incredibly passionate about our cause and are the most generous and dedicated people you will ever meet. DVS couldn't exist without them.

❤️ *thank you!*

We can't thank them enough for all they do!!!!
